

# 8<sup>th</sup> Air Force Historical Society Reunion in Savannah?

It is a GO!

October 27-31, 2021

Marriott Savannah Riverfront

Mission Control had to make the “Go” / “No Go” Decision in the Apollo Program. We, the 8<sup>th</sup> AFHS Board, have made the “Go” Decision for our Reunion. However, in light of the Covid environment, we felt it necessary to include some additional safety precautions:

We are requiring evidence of vaccination. So bring your vaccination card (or take a picture of it...you won't forget your cellphone!)

We are requiring masks at all indoor events. So grab your collection and show us your favorite one.

Not vaccinated? Bring Proof of a negative COVID test within ~~72~~ 96 hours of attending the reunion. We are making arrangements for a rapid test nearby. Or go to Walgreens. They have their system dialed in.

The time has come that we get our 8<sup>th</sup> AFHS Family back together again. We are confident that if all work together we will have a GREAT REUNION!

**Next Stop: Savannah!!!**
